Good evening Ms. Denny,

Are you amicable to setting deadlines for your response to February 9, 2024 (per your request) and also allowing me 15 days for any further surreply (until February 26, 2024) in the event I wish to file anything after reviewing your response?

If so, I assent.

And, if you're agreeable to that, can you just put it all into a single, assented-to scheduling motion?

Please advise.

Thanks,

-Dana

Hi Mr. Albrecht,

We are seeking additional time to reply to the three objections you filed to Judge King, Judge Derby, the NHJB, Ms. Introcaso, and Mr. Dalpra's motions to dismiss. We are requesting an additional 30 days from the earliest deadline (until February 9, 2024) to review your objections and exhibits and to determine our response. Do you assent to this relief?
Thank you,

Catherine Denny
